Commission Member Profile

Raymond K. Swerdfeger

Raymond K. Swerdfeger is President of K.R. Swerdfeger Construction, Inc., an underground utility contractor specializing in the installation and rehabilitation of natural gas, electric, water and sewer pipelines. He is responsible for the daily operation of the company while maintaining leadership, technical, and management roles in major construction projects.

Ray has an extensive background in open cut and trenchless methods of rehabilitation of aging infrastructure. He has served on the Colorado Contractors Association Board of Directors from 2004-2014, and currently serves on the National Distribution Contractors Association Board of Directors.

Ray received a B.S. in Construction Management from Colorado State University in 1994.
